## SPONSORSHIP PACKET

Help continue the legacy of summer camp for local youth, and ensure that all youth, especially those who need it most, have the opportunity to benefit from a summer they will never forget.

As another school year comes to a close, kids across our community are waiting with anticipation for the freedom of summer. While it is evident that our youth are experiencing significant setbacks emotionally, mentally and academically, the YMCA is preparing to meet the need for support and development for hundreds of kids through our 10 week summer program.

As families continue to navigate our current economy there is a deeper level of anxiety, especially for those experiencing economic hardship. The gap for these families continues to widen and the option of sending a kid to summer camp is simply out of reach for many in our community.

### **BUT THERE'S HOPE AND OPPORTUNITY BECAUSE OF PEOPLE LIKE YOU.**

The YMCA is committed helping youth grow and thrive through another season of summer camp. Our focus remains the same as it has been for over 100 years, providing a safe and fun camp experience for kids that need it most. This year we want to ensure more kids can attend and reap the benefits.

### **WHICH IS WHY WE NEED YOUR CONTINUED SUPPORT.**

Our staff will create a phenomenal summer for kids who will participate in our camps.  
Here's how your support will help make that happen:

#### **SCHOLARSHIPS FOR REFUGEE YOUTH**

Our partnership with Salem for Refugees remains strong and there are more youth looking forward to experiencing the peace and positive social engagement that camp brings.

#### **SCHOLARSHIPS FOR YOUTH IN FOSTER CARE**

Through positive peer and adult interactions, kids build meaningful connections, developing and broadening important social skills.

#### **CAMP GIVES KIDS TIME TO BE KIDS**

They sing, dance, run and get creative in a space where kids gain a sense of belonging and inclusion.

#### **CAMP NURTURES A SENSE OF COMMUNITY**

Children spend their days strengthening and building new friendships in an environment with no distractions from technology – a welcome contrast that many youth experience in their day to day interactions with the world around them.

#### **ALL CHILDREN ARE WELCOMED AT CAMP,**

regardless of their family's ability to pay. Your support ensures cost is not a barrier to accessing camp.

This summer, you can make a huge impact on our community's youth. Your generous support will ensure we can provide a summer filled with new friendships, good old-fashioned play, and a sense of belonging. Your gift is the gift of opportunity and hope for kids that need it most.
